Ana Hickmann Eyewear Lookbook collection Fall / Winter 2026

Designed for women who appreciate beauty beyond fashion.
Some collections follow trends. Others create them.
The new Fall / WInter 2026 collection by Ana Hickmann Eyewear represents a refined interpretation of contemporary femininity, combining elegant design with exceptional comfort and meticulous craftsmanship. Every frame has been created to complement the confidence of women who know exactly what they are looking for—pieces that feel luxurious, versatile and effortlessly sophisticated. This season introduces graceful oversized silhouettes, lightweight constructions, premium acetates and refined metallic finishes that elevate every look without ever feeling overstated.
Inspired by modern architecture, natural light and timeless style, the collection embraces soft neutral tones, sophisticated tortoiseshells and elegant contrasts that enhance every complexion. More than an accessory, each frame becomes part of your daily lifestyle. Comfort was considered in every detail. Balanced proportions. Lightweight materials. Carefully designed temples. Refined finishes. Everything works together to ensure beauty and comfort coexist effortlessly throughout the day. Whether paired with relaxed linen, an elegant business suit or an evening dress, these frames adapt naturally to every occasion. Because modern luxury isn't about excess.
It's about choosing pieces that continue to look beautiful season after season.The Wintere 2026 collection reflects exactly that philosophy. Timeless. Confident. Elegant.
Designed for women who appreciate quality without compromise.

SUN COLLECTION

AH9557

AH3373-05A

A bold, statement frame defined by its sculptural, oversized geometric silhouette, bringing a powerful and fashion-forward character to the look. The faceted, high-volume shape creates a striking, sophisticated profile while maintaining a distinctly modern attitude. The design is elevated by dynamic, sharply carved temples featuring an iconic 3D triangular metallic insert, transforming an architectural element into a signature mark of elegance. The balanced proportions and refined acetate construction make this model an effortless choice for those looking for a blend of contemporary luxury, femininity, and Ana Hickmann sophistication.

AH9557-A01

AH9557-E01

AH9557-T01

AH9553

AH9553-A01

AH9553-G21

AH9553-T01

AH9553-T02

A contemporary statement frame defined by its trendy oval silhouette, bringing a fresh and fashion-forward character to the look. The softly rounded lens shape creates a flattering, sophisticated profile while maintaining a distinctly modern attitude. The design is elevated by carefully sculpted temples and the iconic AH logo integrated into the hinge, transforming a functional detail into a distinctive brand signature. The balanced proportions and refined construction make this model an effortless choice for those looking for a blend of contemporary style, femininity and Ana Hickmann sophistication.

AH9550

AH9550-A01

AH9550-A02

AH9550-D01

AH9550-G21

A bold yet refined design defined by a sleek, slightly geometric front that enhances the gaze with a modern edge. The slim structure is balanced by architecturally styled temples, featuring distinctive detailing and refined craftsmanship. Adjustable nose pads ensure comfort and fit, while the clean lines and sharp proportions create a sophisticated, contemporary aesthetic made for a confident, statement look.

AH3357

AH3373-05A

A sophisticated rimless frame that combines refined design with an innovative, versatile concept. Part of Duo-Fashion, a system specially developed for Ana Hickmann, the temples can be effortlessly rotated with a simple touch, revealing a second design with different patterns and details — offering two distinct looks in a single frame.

The softly sculpted, contemporary lens shape adds a refined yet distinctive character to the silhouette, while the minimalist rimless construction enhances its light, sophisticated aesthetic. The hinges feature the iconic AH logo, turning a functional element into a subtle signature detail and reinforcing the brand's identity. Designed to transform effortlessly from understated elegance to a more expressive look, this model brings together innovation, versatility and unmistakable Ana Hickmann sophistication.

AH3373-04A

AH3373-04B

AH3373-05B

AH3354

An elegant, softly contoured design characterized by rounded lenses and a lightweight, fluid silhouette. The slim metal front is paired with delicately sculpted temples, highlighted by refined detailing that adds a subtle decorative accent. Adjustable nose pads ensure comfort and balance, while the harmonious lines and gentle proportions create a timeless, sophisticated look with a modern sensibility.

AH3353

The AH3353 represents a bold fusion of architectural precision and contemporary fashion, making it a standout accessory for any high-end collection. Defined by its sharp, hexagonal-inspired silhouette, these frames utilize polished metal rims to create a profile that is both minimalist and high-impact. The design is elevated by meticulously crafted temples featuring an intricate monogram pattern, seamlessly connected to the front via multi-faceted, sculpted hinges that add a layer of jewelry-like sophistication.

AH3356

AH3376-04A

AH3376-05A

AH3376-05B

AH3376-05C

A futuristic statement frame defined by its geometric, sharp-angled cat-eye silhouette, bringing a bold and ultra-modern character to the look.
The low-profile, angular lens shape creates a striking, avant-garde profile while maintaining a distinctly sleek attitude. The design is elevated by a floating double-bridge construction with delicate filigree detailing and ultra-slim metal temples, transforming minimalist structural elements into a signature feature of refined luxury.

OPTICAL COLLECTION

AH6723

AH6723-A01

A retro-inspired statement frame defined by its bold, oversized aviator silhouette, bringing a confident and fashion-forward character to the look. The prominent double-bridge design and softly squared teardrop shape create a striking, authoritative profile while maintaining a distinctly modern attitude. The design is elevated by sophisticated temples featuring a signature geometric metallic hinge detail, transforming a structural transition into a distinctive brand signature. The balanced proportions and refined acetate construction make this model an effortless choice for those looking for a blend of vintage-inspired style, everyday versatility, and Ana Hickmann sophistication.

AH1647G

AH1647G-03A

AH1647G-05AG

AH1647G-05B

AH1647G-09AG

A refined, intellectual statement frame defined by its elegant modified panto silhouette, bringing a classic yet distinctly fashion-forward character to the look. The softly angular and slender metal profile creates a flattering, sophisticated contour while maintaining a distinctly modern attitude. The design is elevated by decorative, patterned temples featuring a geometric filigree design in black and gold tones, transforming a structural element into a distinctive brand signature of luxury.

AH1650

AH1650-A01

AH1650-T01

AH1650-T02

AH1650-T03

A sophisticated frame defined by its trendy oval silhouette, bringing a soft yet fashion-forward character to the look. The rounded rims, subtly encased in polished acetate with a delicate metal inner structure, create a flattering, intellectual profile while maintaining a distinctly modern attitude. The design is elevated by intricate, monogram-patterned temples featuring geometric harlequin detailing, transforming a functional hinge into a distinctive brand signature. The balanced proportions and refined mixed-material construction make this model an effortless choice for those looking for a blend of vintage-inspired elegance, femininity, and Ana Hickmann sophistication.

AH6717

AH6717G-P01G

AH6717G-P02G

AH6717G-P03

AH6717G-P04G

The AH6688 is a masterclass in geometric boldness, showcasing a sharp and angular cat-eye silhouette that redefines classic eyewear shapes. Its thick, high-impact profile is characterized by clean lines and dramatic points, creating a commanding aesthetic for the modern trendsetter. The wide temples further enhance its sculptural appeal, featuring a distinctive triangular metallic inlay that catches the light and emphasizes the frame's avant-garde spirit.

AH6707

AH6707-P01

AH6707-P02

AH6707-P03

AH6707-P04

A chic frame defined by its elegant soft cat-eye silhouette, bringing a refined and fashion-forward character to the look. The gently upswept browline creates a flattering, lifted profile while maintaining a distinctly modern attitude. The design is elevated by multi-layered acetate temples embellished with an embedded metallic AH monogram logo, transforming a subtle structural transition into an eye-catching brand signature. The balanced proportions and polished craftsmanship make this model an effortless choice for those looking for a blend of everyday elegance, femininity, and Ana Hickmann sophistication.

AH6711

AH6711-A02

AH6711-G21

AH6711-G22

AH6711-G23

A modern frame defined by its bold geometric rectangular silhouette, bringing a sharp and fashion-forward character to the look. The clean, angled rim structure creates an edgy, expressive profile while maintaining a distinctly sophisticated attitude. The design is elevated by sculpted temples featuring an iconic 3D geometric metallic hinge accent, transforming an architectural detail into a distinctive brand signature. The balanced proportions and substantial acetate construction make this model an effortless choice for those looking for a blend of contemporary structure, femininity, and Ana Hickmann sophistication.
