

TRUSSARDI

CATALOG FALL-WINTER 2025

TRUSSARDI

When imagination takes shape: Trussardi Eyewear becomes a bridge between vision and reality, giving form to emotion and perception. A woman encounters the statue of a man – moved by emotion, he awakens. Set in a dreamlike landscape, their connection unfolds and reveals the quiet beauty of the everyday. Through this narrative, the eyewear embodies transformation and creative possibility: not just a frame for vision, but a lens through which to glimpse the profound and the imagined.
