Bravewear

NEW COLLECTION

EYEWEAR & SUNGLASSES

Bravewear unveils its Fall/Winter 2026 collection, a fearless statement of self-expression, style, and attitude. Designed for those who refuse to conform, this season celebrates the courage to embrace who you are—authentically, unapologetically, and boldly.

Infused with rebellious energy and a contemporary edge, the collection mixes sharp tailoring with oversized silhouettes, layering textures, and unexpected contrasts. Bravewear combines streetwear cool with refined details, redefining what it means to be modern and audacious.

Colors range from deep urban neutrals to electric accents, reflecting both the rawness of the city and the vibrancy of personal style. Innovative fabrics and versatile designs make each piece a manifesto of freedom—functional, striking, and undeniably Bravewear.

A man and a woman are walking in a subway station. The woman on the left is wearing a black puffer jacket and sunglasses. The man on the right is wearing a black jacket with a vibrant flame pattern in orange and yellow, and sunglasses. In the background, a silver subway train is blurred, suggesting motion. The station has a tiled floor and overhead lights.

BRW9114-T01

BRW9114-T02

A flat-top sunglasses frame that turns crystal transparency into a bold streetwear statement. The thick acetate structure anchors a straight flat brow line and clean square geometry, creating an immediate retro-futuristic silhouette. Wide, sculpted temples reveal an engraved inner core wire and a subtle metallic logo emblem, balanced by graphic branding details toward the tips. Designed to deliver an assertive, street-smart profile with a strong architectural presence for Bravewear.

BRW9108-T01

BRW9108-T02

A futuristic shield frame that merges graphic streetwear attitude with an aggressive, geometric mask silhouette. The broad, angular frame encloses a sweeping panoramic lens, creating a high-impact profile with an industrial feel. The temples feature a textured metallic core wire with branded icon detailing, anchored by a unique metallic ring accent near the hinge edge. Crafted to deliver an unapologetically bold, high-energy aesthetic for Bravewear.

BRW9107-T01

A vintage pilot silhouette reinterpreted through a strong streetwear lens. The bold acetate front features a prominent double bridge and teardrop shaping, anchored by subtle rivet hardware at the endpieces. Sleek, comfortable temples are detailed with a small metallic logo emblem, giving the retro profile a clean, urban finish. Built to combine timeless pilot codes with an effortless everyday presence for Bravewear.

BRW3039-04A

BRW3039-04B

A low-profile rectangular sunglasses frame that channels late-90s minimalism into a modern street style staple. The slim, wire-thin metal front sets a clean geometry, complemented by slender temples featuring graphic engraved detailing along the sides and clear acetate tips. Engineered to deliver an understated, urban attitude with an effortless, lightweight feel for Bravewear.

BRW1053-04A

BRW1053-09A

An ultra-lightweight navigator optical frame that interprets vintage pilot design through a sleek, industrial edge. The double-bridge metal wire construction creates a crisp, square-rounded front, while the slender temples feature textured engraving along the sides leading into contrasting acetate temple tips. Designed to offer maximum comfort and an effortless, street-smart profile for Bravewear.

BRW9113-T01

BRW9113-T02

A bold interpretation of the classic pilot silhouette, this navigator-style sunglass frame features a substantial acetate construction with a striking double-bar bridge design. Its clean lines and smooth edges create a modern yet masculine profile, while small metal rivets provide a subtle industrial touch at the temples and hinges. The slender arms curve gently for an ergonomic fit, culminating in tapered temple tips. This model combines timeless aviator codes with an assertive, contemporary attitude.

BRW6130-E01

BRW6130-T01

A rectangular optical frame that reimagines Y2K geometry through a thick, architectural lens. The robust acetate front features a straight brow line and angular edges, paired with bold, multi-segmented temples anchored by decorative metallic hinge hardware and a subtle logo emblem. Designed to deliver an assertive, street-smart profile with a strong structural presence for Bravewear.

BRW6131

BRW6131-A01

BRW6131-E01

BRW6131-T01

BRW6131-T02

A classic aviator optical frame reinterpreted through a distinct street-smart perspective. The bold acetate structure features a flat top brow line and a commanding double bridge, punctuated by discrete rivet pins at the outer edges. Clean, streamlined temples house a small metallic logo emblem near the hinges, keeping the profile sharp and versatile. Crafted to deliver an assertive, modern character with a lightweight everyday feel for Bravewear.
